

Dear patient,

thank you for booking an appointment at FOKUS

In order to ensure you a pleasant and straightforward examination we kindly ask you to read the following instructions carefully:

- have your referral and medical insurance card with you
- please bring along all medical reports and medical images
- 3 hours prior to the examination don't eat and drink
- please take your latest blood results (renal and thyroid function) with you (crea, gfr, tsh)
- in case of kidney disorders or diabetes please take your
- in case of underage patients a parent/parental guide has to be present for consent
- a legal guardian should be available at the appointment as well (in case of a time problem the consent form has to be signed prior to the examination as well as the legal document has to be shown on arrival)
- for investigations of your abdomen/stomach please allow up to 3 hours duration of the entire examination

For further enquiries we will be available under the following telephone number 03606 - 590 70

the examination will be held at
Fokus Radiologie & Nuklearmedizin
Brüsseler Str. 1d

37308 Heilbad Heiligenstadt

Yours sincerely

Your practice team
