

Dear patient,

thank you for booking an appointment at FOKUS.

In order to ensure you a pleasant and straightforward examination we kindly ask you to read the following instructions carefully

- we advise you to attend 30 minutes ahead of the scheduled examination time
- have your referral and medical insurance card with you
- please bring along all medical reports and medical images
- 3 hours prior to the examination don't eat and drink
- no jeweler, nail polish, artificial nails or make-up
- take a plain t-shirt with you
- in case of kidney disorders or diabetes please take your latest blood results/renal parameters (creatinin/gfr) with you
- patients above 60 years of age please have your recent blood results (renal function parameters) ready
- in case of underaged patients a parent/parental guide has to be present for consent legal guardian should be available at the appointment as well (in case of a time problem the consent form has to be signed prior to the examination as well a a copy of the legal document has to be shown on arrival)
- if you have any metal implants (cardiac monitors, heart valves, pacemakers, defibrillators, joint replacements, neurosurgical implants etc.) please contact us well in advance before the date

For further enquiries we will be available under the following telephone number the 0551 – 270 74 30.

The examination will be held at:
